Old Business:

1. Mercredi Show for the Spring session; The first week was a success with Ashton Dupre with attendance at 435. Dons specialty meats cooked and it was very well received. Week 2 was canceled due to inclement weather. Clay Cormier was scheduled to play. He was unable to reschedule due to a prior engagement. He will be rescheduled in the fall. Tyler mentioned about possibly having food trucks for food. Frank explained that we have tried it in the past but it wasn't very successful.
2. Mike stated that we had received the drawing for the maintenance shed from the contractor, but it was missing one roll up door and had to be reworked. It should be back next week. The awning at CSC is waiting on materials and will start once it arrives.
3. Frank told the commission that Coca Cola provided us with 7 new scoreboards for Pelican and at CSC as part of our contract with them. He informed us that this did not include their installation. He has been getting bids on them. We have also talked to Carencro Middle School about donating 2 to them. The cost estimate is 15-17 K for the installation of the

new scoreboards plus 4-6 K for the two at the middle school. We will ask for a 25K budget revision from the council to add this to this years budget. Larry Breaux made a motion to do a budget revision for \$25,000 to present to the city council for the installation of the scoreboards : seconded by Tyler Smith, motion passed.
