

**PRESENT**

**Dear Carencro Business Owner,**

We are excited to announce a new initiative in collaboration with the Carencro Business Association and the City of Carencro – "Keep It In The Cro"! This month-long event, launching in May, aims to encourage our community to support local businesses, and we want YOU to be a part of it. The goal of "Keep It In The Cro" is to foster a sense of pride in supporting Carencro-based businesses. During the month of May, we invite you to offer special discounts or free gifts to your customers as part of this effort. In return, we will promote your business through our website and social media, bringing more attention to your offer and helping drive customers to your door.

**As a participating business, you will receive:**

- A static cling decal with the "Keep It In The Cro" logo to display on your door or window.
- Your special offer featured on the City of Carencro's website's "Keep It In The Cro" page and CBA members will be featured on the CBA's home page!
- Daily deal spotlights on our social media channels.

Simply fill out the attached form with your offer, and we will take care of the rest. Together, we can make May a month to remember while supporting local businesses and helping our community thrive. Let's unite and "Keep It In The Cro!"
