**City of Carencro Awarded \$12,000 Grant from the Lafayette Convention and Visitor's Commission's Enterprise Fund**

CARENCRO, LA- (August 20,2025) --- The City of Carencro is please to announce that it has been awarded a generous \$12,000 grant from the Lafayette Convention and Visitors Commission's Enterprise Fund. These funds will be utilized to help in the expansion of Restrooms that have been needed in the North area of Pelican Park for many years.

This grant that is presented by the Lafayette Convention and Visitor's Commission to the City of Carencro will help fulfill a void that has been needed for many years.

Mayor Charolette Clavier expresses her deep graduate for this grant and stated, "We are honored to have receive this our second grant from the Lafayette Convention and Visitors Commission, there assistance with many projects throughout the Acadian area is so very well appreciated and needed.

The Pelican Park Restroom expansion will include new restroom facilities, 1,000 linear feet of 8" gravity sewer and manholes from the existing collection system along Tournament Drive into the northern area or Pelican Park.

This project aimed to highlight Carencro's significant contribution to Sports for many years in the Acadian area, also reinforcing its position as a Sports Meca in our region.

The City of Carencro extends its gratitude to the Lafayette Convention and Visitor's Commission's Enterprise Fund for their support and dedication to promote great needed projects throughout Acadiana.
